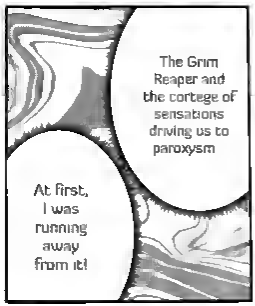
Death is our mistress!



The Grim Reaper and the cortege of sensations driving us to paroxysm
At first, I was running away from it!

Even if when we're alone we can feel its presence..
When we see grenades falling to our feet!

I ended up...
Addicted to it

And, then...
I don't remember exactly when...

It looks like you're getting closer...
But surely...
Slowly...

There's something sewn...

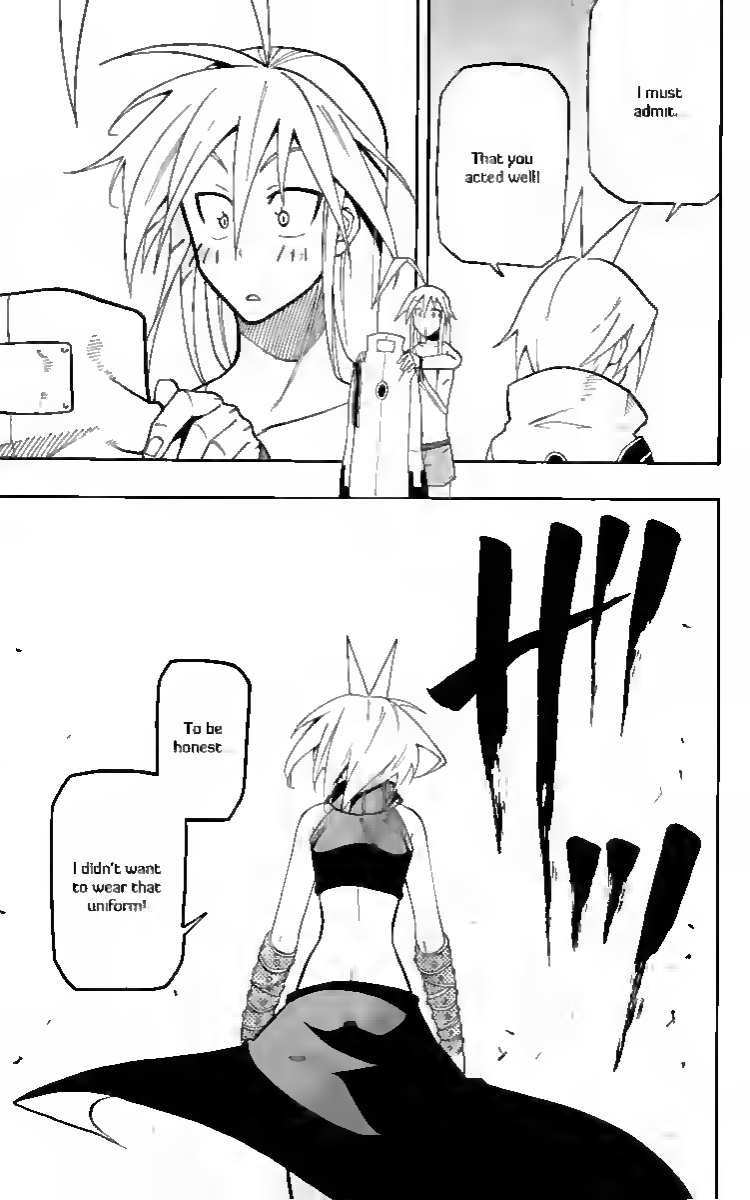
That's a uniform from the fifth squad! Why is it here?



I must admit...
That you acted well!
To be honest
I didn't want to wear that uniform!

I CAN'T REALLY CALL MYSELF A LEADER!
Since I still haven't chosen the third law for our squad...
Of course you can! The proof is, the leader uniform...
Fits you like a glove!

HEY, EINS-CHAN...
YOU'RE THE ONE LEADING THIS OPERATION, RIGHT?!

A good leader knows that it's better to let the men on the field make the decisions...
Especially on a battlefield, where the situation is evolving continuously...
And that he must act only in a case of real danger!
SO YOU'RE TELLING ME THAT THERE'S NO DANGER RIGHT NOW?!
Damn, there's steam on my glasses!

Like I said, a good leader must act only in a case of real danger...
However...
Not being able to anticipate a threat is the mark of a bad leader!

Aaah... what a sneaky bastard, this Kin!
PISSING ME OFF!

Ordering me not to do anything...

Guys take him as an example!
The sales-woman let you buy it?
Hmph... Morons!
Wait a bit... Don't you think it's a bit too much?
It's almost illegal you know?

Hmph... Think whatever you want!
So I went on a day when it was Arnold in charge of the shop!
You like these things too?
I see, you're not under Eins' command for nothing!

Riko is at the shop three days per week...

And why not? We must grab the opportunity to be in the bonus pages when they knock on the door!
We shouldn't even be in the manga!
Don't forget that we don't have many pages!
Let's get back to the subject.

Put this underwear on!
Huh?

Now that the hypothesis has been validated..
I think it is useless...
To draw you a picture!

It was awe-some...

It's just a matter of good sense...

Special underwear!
Like us, maybe?

Well
Stare
They have to wear something!

You don't understand!
Nana...
No, I must admit.
You don't need to check directly on me anymore, so
Huh?
We have to confirm it!
As men
That they're not wearing anything under their uniform...
Even if there's only a 1% chance
TO HAVE FUN!
WE'RE NOT HERE...

Hm..
Sorry!
I don't understand everything, but...
It seems like I was wrong about you..
ずず...

Actually, it's not a simple game for you.
All this, it's serious!
Help us?
How?

HUH?!

It's just to kill time
Even if it's nothing to be proud of
What do you mean...
It's not just a game?!

Should we ask a girl directly?
And now, what should we do?
Hmph... Moron...

Something to ask you
I have.

Little cats
Aren't there too many cats in this manga?
Once ago my I'm talking about something unimportant
I've been thinking for a while now...
Crossdressing
Yes!
Yes!
Hi there!
It's part of the inalienable rights of a mangaka yeah
Those good for nothing
You know that I live more during the night, right?
What is it, this time?
Ichiko-san
Well...
Your politeness is far from overwhelming!
I tried to disguise as a woman!
A this time, there's more cats than humans in the streets
Well I often go for a walk around 2 or 3 AM...
Before, I was unable to crossdress...
Because, even though I was cute, I was still a mau under the skirt!
I feel like I'm being surrounded only by cats!
And since I sleep during the day...
Really is that so?
That's why I draw so many cats!
What is important isn't what we have in the underpa...
Who changed my mind...
And I met someone...
It's okay, we get it now!
